Liquid Pine Cleaner

Green Tablet | Fragrance: Pine

Our concentrated pine formula tackles tough dirt, grime, and neutralises bad smells in a variety of outdoor spaces. From refuse areas and dustbins to animal kennels and patios, Fizz-Ezy Liquid Pine leaves your outdoor areas smelling fresh and clean.

Eliminates Unpleasant Odours

Neutralizes strong smells with the natural power of pine.

Deodorizes & Cleans

Effectively removes dirt and grime while leaving a fresh scent.

Concentrated Formula

A little goes a long way for long-lasting odour control.

Safe & Versatile

Suitable for a variety of outdoor areas.

How to use

Cleaning Refuse area or Pet Kennel:

Once Bin/Kennel is empty, rinse out any debris then scrub the bins/kennel with a broom and the Liquid Pine cleaner. Then rinse with clean water and leave to dry.

Cleaning Floors: Once swept clean, using a Mop or Broom use the Liquid Pine Cleaner to scrub the area. Rinse with a hose or mop dry.

Other: using a microfibre cloth loaded with Liquid Pine Cleaner wipe down outdoor furniture or surfaces.

About the Fizz-Ezy Tablet

Round 9g tablet

Simply add round tablet to 5 Litres warm water, let tablet dissolve, agitate water to boost and activate the foam. Clean as necessary, wipe microfibre cloth.

Fizz-Ezy Cleaning Tablets: Don't pay for water in traditional cleaning bottles. Join the powerful cleaning revolution in a convenient tablet! Just drop, fizz, and clean for a sparkling shine.

***Microfibre Cloth:** For best results use a microfibre cloth for a streak-free shine.

Finish: Fizz-Ezy restores your surface to its original finish!

Ingredients: Pine Oil, Sodium Bicarbonate, Sodium Carbonate Anhydrous, Colourant, Sodium Hydroxide, Potassium Sorbate, EDTA, Dodecylbenzene, Fragrance, Citric Acid
